

HAIR DONATION INSTRUCTIONS

Interested in making a hair donation to the BeYOUtiful Foundation?
Please read the details below.

1. HOW LONG DOES MY HAIR NEED TO BE?

If you want to donate hair to those in need, your first step is to set a length goal. We accept hair donations of 10 inches or longer, the more length you can donate, the more of an impact you will make!

2. WANT TO BE FEATURED ON OUR SOCIAL CHANNELS?

If you are able to take before and after pictures and/or videos we'd love to see it! We're so thankful to have you as part of the family, so we'd love to share your donation in hope to inspire others!

Please tag: [@beyoutiful_foundation](#), [#bettertogether](#), [#beyoutifulhair](#)

We accept all human hair, used extensions and even wigs for repurposing. We also accept chemically treated hair. Yes, you read that right! We accept hair that has been previously colored, AS LONG AS it's in good condition. Not sure? Ask your hairstylist if your hair is healthy enough to donate.

All we ask is for all hair be washed and dry (WET HAIR WILL MILDEW!) Please make sure hair is rubber-banded together tightly, and that all hair is going in the same direction. This helps our sorting facility immensely, thank you in advance.

WHAT TYPE OF HAIR DON'T WE ACCEPT?

Please do not donate any synthetic or over processed hair, it's not usable for the wigs we're creating. We will be forced to throw this hair away. We also ask that hair not be swept up off the ground and donated for sanitation reasons.
